

# The COVID-19 vaccine is coming to Del Mesa!

- Who:** Del Mesa residents aged 75+  
**What:** COVID-19 Vaccination Clinic  
**Where:** Redwood Room (Library)  
**When:** Stay tuned for a confirmed date!  
**How:** Fill out a registration form

We have confirmed a spot on the distribution of the vaccine and have contracted the Visiting Nurse Association (VNA) to administer it. However, due to the Health Department's distribution protocol, they currently do not know when the exact date will be. We are looking at the end of February and perhaps into March.

In the meantime, we are starting registration so that we can quickly confirm and administer the shots when the supply arrives. A registration form is included in this flyer and also available at the Front Desk.

*Note: An email address is required. Your confirmation will be sent by email, please check your inbox and spam on a regular basis.*
