Description of Del Mesa

Del Mesa is a condominium development of 289 homes designed for active seniors 55 years of age and older. Among the amenities provided are a 24-hour security guard, a clubhouse with dining room, library and meeting rooms, an enclosed swimming pool and Jacuzzi, a lawn bowling green, a putting green, an arts and crafts building, shuffleboard courts, table tennis, a woodworking shop, several laundry rooms, and six guest rooms for rent to guests of residents.

The Association

To operate and control the affairs of our community, the Del Mesa Carmel Community Association has been established as a nonprofit, mutual benefit corporation. The Association operates under its governing documents (Articles of Incorporation, Declaration of Protective Restrictions, Bylaws, and Ground Rules) and a Maintenance Contract signed by each member. Ownership, transfer of ownership, lease, or rental are strictly the function of the homeowner, as long as any new permanent occupant is approved for occupancy by the Association. All owners and occupants are subject to the provisions and requirements of the above documents. If not already provided to you by your realtor, these documents are available in the Del Mesa office. Any questions you have after reading them may be referred to our general manager.

Application for Approval of Ownership or Occupancy

No person may permanently occupy a home at Del Mesa before being approved for occupancy. Each prospective resident must complete and submit an Application for Ownership or Occupancy to the general manager. After receipt and approval of your completed application, the Association will send you written notification of acceptance, and you will be asked to schedule a new member's familiarization meeting with the

general manager. You may not occupy the home, or allow others to do so, until you have been notified of acceptance and have been scheduled for meetings with the general manager and Orientation Committee. These meetings are designed to welcome new residents into the community and inform them of Association policies and procedures.

Occupancy on a permanent basis is restricted to two persons per home unless an exception is authorized by the Board of Directors. Minimum age is 55 years, except that for a married couple only one spouse need meet the 55 year age requirement.

State of Health

Del Mesa Carmel is designed and intended for the use and enjoyment of active seniors. Our community provides no medical care or facilities on the premises. Residents must provide for their own health care. If an applicant is not fully ambulatory, Del Mesa may not be a good choice for residence. An applicant must not constitute a hazard to the health or safety of other residents because of addiction to alcohol, abuse of drugs, or for any other reason.

Condominium Ownership

A purchaser of a home also becomes an owner as tenant in common of the entire Del Mesa common area; this includes the clubhouse, all other community facilities, and the grounds (totaling approximately 340 acres). Each homeowner is a member of the Del Mesa Carmel Community Association, Inc. Affairs of the Association are managed by a seven resident Board of Directors and a salaried general manager.

Cost of Living at Del Mesa

Condominium owners must pay a monthly association fee based on the size of their home. This fee covers the cost of utilities furnished to the units, garbage collection, external maintenance of the homes, fire insurance on the homes (but not the contents), liability insurance for the common areas, landscape maintenance, costs of operating the common facilities (clubhouse, swimming pool, etc.), security at the guardhouse, and salaries for approximately 38 employees.

The effects of inflation and higher operating costs may require future increases to monthly maintenance fees when annual budgets are determined.

Please be aware of other living costs you will incur. Unless the owner patronizes the dining room in a minimum amount for the calendar year (currently ranging from \$291 for the smallest homes to \$480 for the largest), there will be a charge for the unused minimum at the end of the year. Also, the monthly association fee does not cover the following: (1) real property taxes on your home, (2) cable TV, (3) telephone, (4) earthquake insurance, (5) insurance on your personal property (furniture, clothes, jewelry, etc.) and (6) public liability insurance in case of individual liability for injury to others.

Remodeling of Homes and Landscaping

To ensure the existing architectural and landscaping integrity is maintained, before making certain changes to a home, inside or out, a resident must obtain approval of the Building and Grounds Committee. Specific requirements are found in the Del Mesa "Ground Rules."

Cars and Driving

Each home is provided one covered parking space. There are a limited number of uncovered parking spaces for residents with a second car. Del Mesa discourages residents from keeping more than two cars on the property, and prohibits the parking of trucks and RV's in the residential parking areas. Del Mesa expects residents with restricted driver's licenses to strictly obey those restrictions. The maximum speed limit on Del Mesa roads is 25 miles per hour.

Pets

Although Del Mesa is not the most appropriate community for pets, pets are permitted **if** they are kept inside the homes, on a leash when outside the homes, and are not a nuisance to other residents. Pet owners must remove their pet's excrement from the common areas immediately.
